

# Victorian Dog Rescue's Hughie Special Dogs Fund for abused and neglected dogs

Can you help us help special dogs like Hughie?

Increasingly, Victorian Dog Rescue & Resource Group Inc. is saving severely neglected dogs like Hughie and giving them a second chance at life. This is presenting a significant financial cost to us . . . but to them, the reward is priceless. To be better prepared to help these dogs, we are launching the Hughie Special Dogs Fund in loving memory of Hughie, who sadly passed away in foster care after a short life of abuse and neglect.

Why these dogs, some might ask, when healthy pets are being killed in pounds every day? We feel a special commitment to those who have suffered at the hands of our fellow human beings.

Can we have your support to rehabilitate these special dogs?

All donations over \$2 are tax deductible, and go directly to these deserving dogs' care.
